2TB

Selling Points

Crafted from PCR 100% Recycled Materials

Made with PCR 100%* recycled materials, giving discarded plastics a second life as eco-friendly storage product**.

Pocket-sized Design Perfect for Portability

Designed to be featherlight and pocket-sized, it weighs just 139.5g and is only 10.8mm slim.

Smart Power Management to Prolong the Lifespan

A power-saving mode activates if data transmission stops for 10 minutes, helping reduce energy consumption.

Two Capacity Choices – Take What You Need

Perfect for users carrying large files, high-res videos, and photos on the go.
