Fast and Smooth

microSDXC UHS-I U3 V30 A2

Fast and Smooth User Experience

Complies with the SD Association latest Application Performance Class A2 certification standard, delivering minimum random read performance of 4,000 IOPS and random write performance of 2,000 IOPS, and sequential transfer speed of at least 10MB/s.

Optimized specifically for mobile devices to accelerate the launch speed of applications, provide better random access and execution performance, make apps stored on memory cards faster, offers user a faster experience and smoother mobile lives.

* Transmission speeds vary based on your system performance (e.g. hardware, software, usage, etc.)

Full HD

Ultra HD

High Writing Speed

The V30 A2 memory card complies with SD Association's latest UHS Video Speed Class 30 (V30) standards. It writes with a minimum speed of 30MB/s, supporting 4K Ultra HD, 3D videos, and burst mode.

Designed for 4K Video Recording

Apacer V30 A2 memory card is tailored for 4K video recording and supports burst mode. With a maximum read/write speed up to 100/80 MB/s ; the time for file transmission is significantly shortened.

UHS Speed Class	Speed Class	Min. Constant Write Speed	Video Speed Class	Capable Application			
				4K Video	Full HD HD Video	HD Video	SD Video
UHS Speed Class 3 [3]		30MB/s (240MBps)	V30				
UHS Speed Class 1 [1]	Speed Class 10 CLASS 10	10MB/s (80MBps)	V10				
	Speed Class 6 CLASS 6	6MB/s (48MBps)	V6				
	Speed Class 4 CLASS 4	4MB/s (32MBps)					

*This speed performance is achieved under the conditions specified by the SD Association.
*Transmission speeds vary based on your system performance (e.g. hardware, software, usage, etc.)

Everything's On The Record with Apacer

Aimed at supporting home applications such as recording driving and remote real-time monitoring, Apacer V30 A2 memory card is ideal for saving and accessing image files.

The large-capacity option means insufficient capacity is never a problem. Not a single frame will be dropped, so families can sleep well knowing they're safe.

Water Proof   Magnet Proof   Temperature Proof   X-ray Proof

Multiple Protections

Apacer V30 A2 memory card passes waterproof, shockproof, magnet proof, X-ray proof, and temperature proof tests and functions even in the harshest environments. Equipped with write-protect and error-correcting code (ECC) features, V30 A2 provides the most robust protection for your valuable data.

Features

- Complies with SD Association's latest Application Performance Class A2 certification
- Complies with SD Association's latest UHS Video Speed Class 30 (V30) Standard
- Supports 4K Ultra HD, 3D video recording and high-speed continuous shooting
- Rapid data transfer up to 100MB/s
- Guards valuable memories with multiple protection

Specification

- Capacity: 64GB / 128GB/ 256GB/512GB
- Performance: UHS Speed : Class 3
  Speed Class : Class 10
  Video Speed Class : V30
  Read Speed : Up to 100MB/s*
  Writing Speed : Up to 80MB/s*
- Speed Class: UHS-I Class 10 / U3/ V30
- Dimensions (L x W x H): 15 x 11 x 1mm
- Warranty: 5 years limited product lifetime

*Based on internal testing; performance may be lower depending upon host device interface, usage conditions and other factors.
